

CBmed Ltd. is a globally strong growing research company for biomarker research in medicine with its headquarter in Graz. CBmed links excellent research infrastructure, scientific expertise, medical knowledge, national and international industry partners for systematic medical biomarker research. Business language is English.

To strengthen our team in Graz, we are seeking to recruit an ambitious, committed

Public Funding Specialist (f/m/d)

Tasks:

- Researching national and EU calls, overall coordination, writing and submission of national and EU proposals in the research field of CBmed
- Support and strategic implementation of CBmed's goals regarding project fundings (EU, FFG, etc.) in close cooperation with the management team
- Supporting CBmed's dissemination strategy as part of the business development team
- Development of an overarching funding strategy for CBmed
- Understanding and best utilization of national and international funding schemes.

Skills and Abilities:

- University degree, ideally PhD in Life Science Area
- Experience in biomedical research
- Fast implementation of ideas
- Experience and understanding of clinical studies
- Fluent English communication skills
- Excellent organizational and problem-solving skills
- "graphic" mindset – transferring words to attractive presentations.
- Openness to work in an international team
- Team player

You will have the opportunity to work in an international connected company, within a young, dynamic and international team.

We offer an unlimited contract with a monthly salary of €4 000 gross based on 40 hours/week. Overpayment is possible, depending on qualifications and work experience.

Planned start date upon your first availability.
